Calgary, AB | (403) 899-5057 | jasong1052@gmail.com

PROFESSIONAL PROFILE

University of Calgary Kinesiology (Honours) student with experience in physiotherapy clinics, rehabilitation programs, hospital volunteering, and athletic injury prevention. Skilled in compassionate patient communication, multidisciplinary teamwork, individualized exercise support, and clinical administration. Interested in pursuing a career in physiotherapy.

CLINICAL & REHABILITATION EXPERIENCE

Practicum Student / Clinical Shadowing | Balance Health and Sports Therapy *September 2026 – Present*

- Shadow a chiropractor and observe individualized treatment planning, including Active Release Techniques (ART), acupuncture, and clinical reasoning behind treatment choices.
- Learn the use of a Summus laser as a supportive therapeutic modality and observe differing rehabilitation priorities for athletes and the general population.
- Observe collaboration between chiropractic and physiotherapy professionals to support coordinated, patient-centred care.

Physiotherapy Volunteer | Lifemark July 2026 – Present

- Supported physiotherapists with patient preparation for heat therapy and transcutaneous electrical nerve stimulation (TENS), and assisted with soft tissue release and cupping techniques.
- Gained exposure to shockwave therapy and interferential current (IFC) equipment while fostering a welcoming, empathetic environment for patients.
- Developed familiarity with patient charting, documentation, and organized records to support continuity of care.

Volunteer | Rehabilitation & Fitness Program *Jul 2025 – Present*

- Help participants perform strength training movements and prescribed stretches safely, emphasizing proper technique.
- Monitor cardio activities, offer encouragement, and support participants' engagement and independence.

Volunteer | Peter Lougheed Centre *Jun 2024 – Present*

- Assist healthcare staff with non-medical duties and provide compassionate guidance and companionship to patients and visitors.
- Maintain professional conduct, confidentiality, and adherence to hospital protocols.

OTHER PROFESSIONAL EXPERIENCE

Athletic Trainer | Lester B. Pearson High School *Sep 2019 – Jan 2022*

- Supported prevention, assessment, and treatment of athletic injuries for school sports teams.
- Collaborated with coaches and medical staff on injury prevention strategies and responded calmly in time-sensitive situations.

Teacher / Tutor | Kumon *Aug 2019 – Sep 2023*

- Delivered individualized mathematics and reading support while managing a fast-paced educational environment.
- Communicated effectively with students and families and maintained a structured, productive learning space.
